WORK EXPERIENCE

Agile Capital Services, Noida

HR and Sales Intern

March 2022 - April 2022

Job responsibilities:

- Recorded daily sales data and maintained spreadsheets, which required a keen attention to detail and precision in capturing significant figures vital for analysis and decision-making purposes.
- Assisted with payroll slip preparation by leveraging analytical skills and gaining practical experience with payroll processes, contributing to the financial functions of the organization.

PROJECTS

1. Resume Craft | |

CSS3 | React | Responsive Web Design | Firebase

- Developed Login and Signup pages with authentication functionalities using Firebase, facilitating secure sign-in with Google.
- Implemented responsive design optimized for all devices using CSS and ensured user-friendly layout.
- Collaborated within a 5-member team to create features like PDF generation for resumes, contributing to the project completion in 5 days.

2. OS World | |

HTML5 | CSS3 | Git

- Developed complete landing and about pages, linking OS interfaces and ensuring responsive design across devices.
- Implemented interactive features such as animations to enhance user interaction and experience.
- Managed version control using GitHub for collaborative development within a team of 4 over a 5-day period.
